

Understanding Your New Statement

Your statements have a new look that is easier to read!

Our recent technology changes provide a new and improved experience for our clients. We are excited to share this guide to understanding your new statement. Whether you receive statements online or by paper, we encourage you to review them regularly.

Your new statement provides:

- Names of your Wealth Management team and their contact information. Please reach out to any of your financial team members when you have a question or need assistance. ***We are here to help you prosper!***
- Summary data about your portfolio.
- Account activity between statement periods and year-to-date, including realized gains and losses.
- A detailed list of portfolio holdings and important data to help you understand the value of your positions.
- A transaction summary and details of your activity during the statement period.
