

Mobile Approvals Quick Start Guide

This Mobile Approvals Quick Start Guide provides instructions for for approving ACH and Wire Transactions through Mobile Banking

Approve an ACH/Wire Transaction

Mobile Approvals are available to any user currently entitled for both Mobile and Approvals in Business Online Banking.

1. Launch the First Merchants for Business Mobile App on your Mobile Device.
2. Select "**More**" in Lower Right Hand Corner
3. Select "**Approvals**"
4. Select the transaction to approve. Click "**Transmit**"
5. Select Mobile Phone number to receive Security Code.
6. Enter the Security Code contained in the Text Message received.
7. Once the transaction is approved, a confirmation page will display.
