
Try Our Free Text Banking Service

Your accounts are just a text away!

OUR TEXT BANKING SERVICE is the fastest, easiest way to check your accounts on the go. Using your phone, find out if there's enough money in your account for those great jeans you just saw, or to splurge on dessert. Just text commands to 49794 from your enrolled mobile device and we'll text you back in seconds.

This service is free and available to all personal Online Banking customers. To enroll, just click on the Mobile Banking Center within Online Banking and follow the on screen instructions.
